**No Obligation by the Federal Government -**

1. The Purchaser and Bidder acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Purchaser, Bidder, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

In addition to other penalties that may be applicable, the Bidder further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, Statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Bidder to the extent the Federal Government deems appropriate.

2. The Bidder also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, Statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. §§ 5307, the Government reserves the right to impose the penalties of 18 U.S.C. §§ 1001 and 49 U.S.C. §§ 5307(n)(1) on the Bidder, to the extent the Federal Government deems appropriate.

Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. The Bidder shall not perform any act, fail to perform any act, or refuse to comply with any Valley Regional Transit requests that would cause Valley Regional Transit to be in violation of the FTA terms and conditions.

12. **GOVERNMENT-WIDE DEBARMENT AND SUSPENSION (NONPROCUREMENT)**

**Background and Applicability**

The provisions of Part 29 apply to all grantee contracts and subcontracts at any level expected to equal or exceed $25,000 as well as any contract or subcontract (at any level) for federally required auditing services. 49 CFR 29.220(b). This represents a change from prior practice in that the dollar threshold for application of these rules has been lowered from $100,000 to $25,000. These are contracts and subcontracts referred to in the regulation as “covered transactions.”

Grantees, Bidders, and sub Bidders (at any level) that enter into covered transactions are required to verify that the entity (as well as its principals and affiliates) they propose to contract or subcontract with is not excluded or disqualified. They do this by (a) Checking the Excluded Parties List System, (b) Collecting a certification from that person, or (c) Adding a clause or condition to the contract or subcontract. This represents a change from prior practice in that certification is still acceptable but is no longer required. 49 CFR 29.300.

Grantees, Bidders, and sub Bidders who enter into covered transactions also must require the entities they contract with to comply with 49 CFR 29, subpart C and include this requirement in their own subsequent covered transactions (i.e., the requirement flows down to subcontracts at all levels).

**Suspension and Debarment**

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the Bidder is required to verify that none of the Bidder, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945.

The Bidder is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

By signing and submitting its bid or Bid, the bidder or Bidder certifies as follows:

The certification in this clause is a material representation of fact relied upon by Valley Regional Transit. If it is later determined that the bidder or Bidder knowingly
rendered an erroneous certification, in addition to remedies available to Valley Regional Transit the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or Bidder agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or Bidder further agrees to include a provision requiring such compliance in its lower tier covered transactions.

**Flow Down**
FTA does not require the inclusion of these requirements in subcontracts.

**Access to Records** - The following access to records requirements apply to this Contract:

1. Where the Purchaser is not a VRT but a local government and is the FTA Recipient or a sub-grantee of the FTA Recipient in accordance with 49 C.F.R. 18.36(i), the Bidder agrees to provide the Purchaser, the FTA Administrator, the Comptroller General of the United VRTs or any of their authorized representatives access to any books, documents, papers and records of the Bidder which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts and transcriptions. Bidder also agrees, pursuant to 49 C.F.R. 633.17 to provide the FTA Administrator or his authorized representatives including any PMO access to Bidder's records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a)1, which is receiving federal financial assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311.

2. Where any Purchaser which is the FTA Recipient or a sub-grantee of the FTA Recipient in accordance with 49 U.S.C. 5325(a) enters into a contract for a capital project or improvement (defined at 49 U.S.C. 5302(a)1) through other than competitive bidding, the Bidder shall make available records related to the contract to the Purchaser, the Secretary of Transportation and the Comptroller General or any authorized officer or employee of any of them for the purposes of conducting an audit and inspection.

3. The Bidder agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

4. The Bidder agrees to maintain all books, records, accounts and reports required under this contract for a period of not less than three years after the date of termination or expiration of this contract, except in the event of litigation or settlement of claims arising from the performance of this contract, in which case Bidder agrees to maintain same until the Purchaser, the FTA Administrator, the Comptroller General, or any of their duly authorized representatives, have disposed of all such litigation, appeals, claims or exceptions related thereto. Reference 49 CFR 18.39(i)(11).

5. FTA does not require the inclusion of this requirement in s
