ROUTE

4

Roosevelt

Each stop name also includes a three letter code to indicate the corner the stop is on. The first two letters indicate the cardinal directions, i.e. Northwest (NW), Northeast (NE) etc. The last letter indicates whether the stop is on the corner (C) or between corners, or “mid-block” (M). For example NEC means Northeast corner while NEM means Northeast midblock. See the diagram to the right for other illustrations.
