WHEREAS, VRT desires to retain Contractor to provide such services under the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained, the Parties agree to the following:

ARTICLE 1 - STATEMENT OF WORK

1.1 Services. Contractor shall provide to VRT the services (the "Services") set out in the RFB, as supplemented by one or more mutually agreeable statements of work (each, a "Statement of Work"). Each Statement of Work will (1) identify the Services to be performed; (2) identify and establish the deliverables (including without limitation any licenses or ownership interests) that VRT will receive from Contractor as a result of the Services (collectively referred to as "Deliverables"); (3) establish the schedule, fees, and expenses related to the Services; and (4) set forth any additional terms and conditions. The initial accepted Statement of Work is attached hereto as **Exhibit A**. Additional Statements of Work, substantially in the same form as the Statement of Work attached hereto, shall be deemed accepted and incorporated into this Agreement only if duly signed by the Parties. Nothing in this Agreement shall be construed to prevent the VRT from acquiring services from other providers (or itself performing services) that are similar to or identical to the Services.

1.2 Requirements. Contractor shall provide the Services (a) in accordance with the terms and subject to the conditions set forth in the respective Statement of Work and this Agreement; (b) using personnel of required skill, experience, and qualifications; (c) in a timely, workmanlike, and professional manner; (d) in accordance with the highest recognized standards of Contractor's industry, and (e) to the satisfaction of the VRT. 1.3 Project Manager. Contractor's project manager shall be _____ ("Project Manager"), who is responsible for carrying out the provisions of this Agreement and coordinating with subcontractors, where appropriate. Contractor shall make no changes in Project Manager

except: (a) with the prior consent of VRT, which consent shall not be unreasonably withheld, (b) at the request of VRT, in which case Contractor shall use its best efforts to promptly appoint a replacement, or (c) upon the resignation, termination, death, or disability of the existing Project Manager. During the term of this Agreement, no less frequently than QUARTERLY, representatives of Contractor will meet with representatives of VRT at times and places mutually agreed upon to discuss the progress and results, as well as ongoing plans, or changes therein, to any Statements of Work then in effect.

Any partial payment of an invoice will be deemed notice by VRT of the disputed amount, and any failure by VRT to dispute any invoiced amount will not be deemed a waiver of any claims. VRT shall have the right to set off against amounts owed to Contractor. The Parties shall promptly meet in an effort to resolve issues relating to any disputed payments. - Create a level playing field on which DBE’s can compete fairly for DOT-assisted contracts; and
- Ensure that the DBE program is narrowly tailored in accordance with applicable law; and
- Ensure that only firms that fully meet 49 C.F.R. part 26 eligibility standards are permitted to participate as DBE’s; and

These requirements are in addition to all other equal opportunity employment requirements of this Agreement. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Agreement. Contractor shall maintain all books, records, accounts and reports required under this Agreement for a period of at not less than three (3) years after the date of termination or expiration of this Agreement, except in the event of litigation or settlement of claims arising from the performance of this Agreement, in which case records shall be maintained until the disposition of all such litigation, appeals, claims or exceptions related thereto. Contractor agrees to provide VRT, FTA, the Comptroller General of the United States or any of their authorized representatives access to any books, documents, papers and records of Contractor which are related to this Agreement as may be reasonably required. Contractor also agrees to provide FTA or its authorized representatives, including any PMO Contractor, access to Contractor’s records and construction sites pertaining to a major capital project, defined at 49 U.S.C. 5302(a)1, which is receiving Federal financial assistance through the programs described at 49 U.S.C. 5307, 5309 or 5311. Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. Contractor agrees to permit VRT, FTA and their contractors’ access to the sites of performance under this Agreement as reasonably may be required.

11.5 Buy America. Contractor agrees to comply with 49 U.S.C. 5323(j) and 49 C.F.R. part 661, which provide that Federal funds may not be obligated unless all steel, iron, and manufactured products used in FTA funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 C.F.R. § 661.7. Separate requirements for rolling stock are set out at 49 U.S.C. 5323(j)(2)(C) and 49 C.F.R. § 661.11. Contractor agrees to submit a certification to VRT of its

compliance with 49 U.S.C. 5323(j) and 49 C.F.R. part 661 with respect to any bids or offers made in connection with this Agreement. Bids or offers that are not accompanied by a completed Buy America certification will be rejected as nonresponsive.

11.6 Cargo Preference. Contractor agrees to use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to the underlying contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels. Contractor agrees to furnish within 20 working days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, "on-board" commercial ocean bill-of-lading in English for each shipment of cargo described in the preceding paragraph to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to the FTA recipient (through the contractor in the case of a subcontractor's bill-of-lading).

11.7 Clean Air Act. Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq and the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq. In addition, Contractor will not use any facilities placed on (or likely to be placed on) the EPA "List of Violating Facilities." Contractor agrees to report each violation of this Section to VRT. Contractor understands and acknowledges that VRT will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

11.8 Civil Rights. Contractor shall at all times comply with the following requirements and comply with any implementing requirements FTA may issue:

11.8.1 Nondiscrimination. In accordance with Federal transit law at 49 U.S.C. § 5332, Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, sex, disability, or age.

11.8.2 Race, Color, Religion, National Origin, Sex. In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e et seq., and Federal transit laws at 49 U.S.C. § 5332, Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. chapter 60, and Executive Order No. 11246, "Equal Employment Opportunity in Federal Employment," September 24, 1965, 42 U.S.C. § 2000e note, as amended by any later Executive Order that amends or supersedes it, referenced in 42 U.S.C. § 2000e note. Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, national origin, or sex (including sexual orientation and gender identity). Such action shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

11.8.3 Age. In accordance with the Age Discrimination in Employment Act, 29 U.S.C. §§ 621-634, U.S. Equal Employment Opportunity Commission (EEOC) regulations, "Age Discrimination in Employment Act," 29 C.F.R. part 1625, the Age Discrimination Act of 1975, as amended, 42 U.S.C. § 6101 et seq., U.S. Health and Human Services regulations, "Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial

Assistance,” 45 C.F.R. part 90, and Federal transit law at 49 U.S.C. § 5332, Contractor agrees to refrain from discrimination against present and prospective employees for reason of age.

11.8.4 Disabilities. In accordance with section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. § 12101 et seq., the Architectural Barriers Act of 1968, as amended, 42 U.S.C. § 4151 et seq., and Federal transit law at 49 U.S.C. § 5332, the Contractor agrees that it will not discriminate against individuals on the basis of disability.

11.9 Employee Protections.

11.9.1 Contractor represents and warrants that a copy of the current prevailing wage determination issued by the DOL has been provided to VRT in connection with the RFB.

11.9.2 Contractor shall comply with all federal laws, regulations, and requirements providing wage and hour protections for non-construction employees, in accordance with 40 U.S.C. § 3702, Contract Work Hours and Safety Standards Act, and other relevant parts of that Act, 40 U.S.C. § 3701 et seq., and U.S. DOL regulations, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction (also Labor Standards Provisions Applicable to Non-construction Contracts Subject to the Contract Work Hours and Safety Standards Act),” 29 C.F.R. part 5. Contractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three (3) years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Such records maintained under this paragraph shall be made available by Contractor for inspection, copying, or transcription by authorized representatives of the FTA and the Department of Labor, and Contractor will permit such representatives to interview employees during working hours on the job.

11.9.3 If this Agreement meets the definition of a prime construction, alteration or repair contract in excess of \$2,000 awarded by FTA, then Contractor agrees to comply with the terms of this Section 11.9.3. Contractor shall comply with the Davis-Bacon Act and the Copeland “Anti-Kickback” Act. Under 49 U.S.C. § 5333(a), prevailing wage protections apply to laborers and mechanics employed on FTA assisted construction, alteration, or repair projects. Contractor will comply with the Davis-Bacon Act, 40 U.S.C. §§ 3141-3144, and 3146-3148 as supplemented by DOL regulations at 29 C.F.R. part 5, “Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction.” In accordance with the statute, Contractor shall pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Contractor agrees to pay wages not less than once a week. Contractor shall also comply with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145), as supplemented by DOL regulations at 29 C.F.R. part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in part by Loans or Grants from the United States.” Contractor is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

11.9.4 If Contractor’s performance of this Agreement involves the employment of mechanics or laborers and the value of this Agreement is in excess of \$100,000, then Contractor agrees to comply with the terms of this Section 11.9.4. Contractor shall comply with the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 3701-3708), as supplemented by the DOL

regulations at 29 C.F.R. part 5. Under 40 U.S.C. § 3702 of the Act, Contractor shall compute the wages of every mechanic and laborer, including watchmen and guards, on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or to contracts for transportation or transmission of intelligence. In the event of any violation of the clause set forth herein, Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of this clause in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by this clause.

11.10 Energy Conservation. Contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

11.11 Fly America. When Federal funds are used to fund travel, Section 5 of the International Air Transportation Fair Competitive Practices Act of 1974 (49 U.S.C. 40118) (Fly America Act) requires contractors, recipients, and others use U.S.-flag air carriers for U.S. Government-financed international air transportation of personnel (and their personal effects) or property, to the extent that service by those carriers is available. It requires the Comptroller General of the United States, in the absence of satisfactory proof of the necessity for foreign-flag air transportation, to disallow expenditures from funds, appropriated or otherwise established for the account of the United States, for international air transportation secured aboard a foreign-flag air carrier if a U.S.-flag air carrier is available to provide such services. If available, Contractor, in performing work under this contract, shall use U.S.-flag carriers for international air transportation of personnel (and their personal effects) or property. In the event that Contractor selects a carrier other than a U.S.-flag air carrier for international air transportation, Contractor shall include a statement on vouchers involving such transportation essentially as follows: "International air transportation of persons (and their personal effects) or property by U.S.-flag air carrier was not available or it was necessary to use foreign-flag air carrier service for the following reasons. See FAR § 47.403. [state reasons]: _____."

11.12 Debarment and Non-procurement. Contractor shall comply and facilitate compliance with U.S. DOT regulations, "Nonprocurement Suspension and Debarment," 2 C.F.R. part 1200, which adopts and supplements the U.S. Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Government-wide Debarment and Suspension (Nonprocurement)," 2 C.F.R. part 180. Contractor shall verify that its principals, affiliates, and subcontractors are eligible to participate in this federally funded contract and are not presently declared by any Federal department or agency to be:

- Debarred from participation in any federally assisted Award;
- Suspended from participation in any federally assisted Award;
- Proposed for debarment from participation in any federally assisted Award;

- Declared ineligible to participate in any federally assisted Award;
- Voluntarily excluded from participation in any federally assisted Award; or
- Disqualified from participation in any federally assisted Award.

The certification in Section 11.12 is a material representation of fact relied upon by VRT. If it is later determined by VRT that Contractor knowingly rendered an erroneous certification, in addition to remedies available to VRT, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. Contractor agrees to comply with the requirements of 2 C.F.R. part 180, subpart C, as supplemented by 2 C.F.R. part 1200, during the term of this Agreement.

11.13 Lobbying Limitations and Certification. By executing this Agreement, Contractor certifies that, to the best of Contractor's knowledge and belief:

- No Federal appropriated funds have been paid or will be paid, by or on behalf of Contractor, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- If any funds other than Federal appropriated funds have been paid or will be paid to any person for making lobbying contacts to an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, Contractor shall complete and submit Standard Form--LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions (as amended by "Government wide Guidance for New Restrictions on Lobbying," 61 Fed. Reg. 1413).
- This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

11.14 No Obligation by the Federal Government. VRT and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of this Agreement, absent the express written consent by the Federal Government, the Federal Government is not a party to this Agreement and shall not be subject to any obligations or liabilities to VRT, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from this Agreement.

11.15 Intellectual Property Rights.

11.15.1 Contractor shall grant VRT intellectual property access and licenses deemed necessary for the work performed under this Agreement and in accordance with the requirements of 37 C.F.R. part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by FTA or U.S. DOT. The terms of an intellectual property agreement and software license rights will be finalized prior to execution of this Agreement and shall, at a minimum, include the following restrictions: Except for its own internal use, Contractor may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may Contractor authorize others to do so, without the written consent of FTA, until such time as FTA may have either released or approved the release of such data to the public. This restriction on publication, however, does not apply to any contract with an academic institution.

11.15.2 For purposes of this agreement, the term "subject data" means recorded information whether or not copyrighted, and that is delivered or specified to be delivered as required by this Agreement. Examples of "subject data" include, but are not limited to computer software, standards, specifications, engineering drawings and associated lists, process sheets, manuals, technical reports, catalog item identifications, and related information, but do not include financial reports, cost analyses, or other similar information used for performance or administration of the Contract.

11.15.3 The Federal Government reserves a royalty-free, non-exclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use for "Federal Government Purposes," any subject data developed under this Agreement, whether or not a copyright has been obtained and any rights of copyright purchased by Contractor using Federal assistance in whole or in part by the FTA. "Federal Government Purposes" means use only for the direct purposes of the Federal Government.

11.15.4 Unless FTA determines otherwise, Contractor performing experimental, developmental, or research work required as part of this Contract agrees to permit FTA to make available to the public, either FTA's license in the copyright to any subject data developed in the course of the Contract, or a copy of the subject data first produced under the Agreement for which a copyright has not been obtained. If the experimental, developmental, or research work, which is the subject of this Contract, is not completed for any reason whatsoever, all data developed under the Agreement shall become subject data as defined herein and shall be delivered as the Federal Government may direct. This subsection, however, does not apply to adaptations of automatic data processing equipment or programs for VRT or Contractor's use whose costs are financed in whole or in part with Federal assistance provided by FTA for transportation capital projects.

11.15.5 Unless prohibited by state law, upon request by the Federal Government, Contractor agrees to indemnify, save, and hold harmless the Federal Government, its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under that contract. Contractor shall be required to indemnify the Federal Government for any such liability arising out of the wrongful act of any employee, official, or agents of the Federal Government.

11.15.6 Nothing contained in this clause on rights in data shall imply a license to the Federal Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the Federal Government under any patent.

11.15.7 Data developed by Contractor and financed entirely without using Federal assistance provided by the Federal Government that has been incorporated into work required by the underlying Contract is exempt from the requirements in this Section [], provided that Contractor identifies those data in writing at the time of delivery of the Deliverables.

11.16 If any invention, improvement, or discovery is conceived or first actually reduced to practice in the course of or under the contract to which this Attachment has been added, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, VRT and Contractor agree to take actions necessary to provide immediate notice and a detailed report to the party at a higher tier until FTA is ultimately notified.

11.17 Program Fraud and False or Fraudulent Statements or Related Acts.

11.17.1 Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §3801 et seq. and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to the services to be provided under this Agreement. Upon execution of this Agreement, Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to this Agreement or the FTA assisted project for which the work under this Agreement is being performed. In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on Contractor to the extent the Federal Government deems appropriate.

11.17.2 Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. § 1001 and 49 U.S.C. § 5307(n)(1) on Contractor, to the extent the Federal Government deems appropriate.

11.18 Recovered Materials. Contractor agrees to provide a preference for those products and services that conserve natural resources, protect the environment, and are energy efficient by complying with and facilitating compliance with Section 6002 of the Resource Conservation and Recovery Act, as amended, 42 U.S.C. § 6962, and U.S. Environmental Protection Agency ("EPA"), "Comprehensive Procurement Guideline for Products Containing Recovered Materials," 40 C.F.R. part 247.

11.19 Safe Operation of Motor Vehicles. Contractor is encouraged to adopt and promote on-the-job seat belt use policies and programs for its employees and other personnel that operate company-owned vehicles, company- rented vehicles, or personally operated vehicles. The terms "company-owned" and "company-leased" refer to vehicles owned or leased either by Contractor or VRT. Contractor agrees to adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers, including policies to ban text messaging while using an electronic device supplied by an employer, and driving a vehicle the driver owns or rents, a vehicle Contractor owns, leases, or rents, or a privately-owned vehicle when on official business in connection with the work performed under this agreement.

11.20 Substance Abuse Requirements. Contractor agrees to establish and implement a drug and alcohol testing program that complies with 49 C.F.R. parts 655, produce any documentation necessary to establish its compliance with part 655, and permit any authorized representative of the United States Department of Transportation or its operating administrations, the applicable oversight agency of Idaho, or VRT, to inspect the facilities and records associated with the implementation of the drug and alcohol testing program as required under 49 C.F.R. part 655 and review the testing process. Contractor agrees further to certify annually its compliance with parts 655 before [insert date] and to submit the Management Information System (MIS) reports before [insert date] to [insert title and address of person responsible for receiving information]. To certify compliance, Contractor shall use the "Substance Abuse Certifications" in the "Annual List of Certifications and Assurances for Federal Transit Administration Grants and Cooperative Agreements," which is published annually in the Federal Register.

11.21 Termination.

11.21.1 For Convenience. VRT, in its sole discretion, may terminate this Agreement or any Statement of Work, in whole or in part, at any time, with or without cause, and without liability except for required payment for services rendered, and reimbursement for authorized expenses incurred, prior to the termination date, by providing at least sixty (60) days' prior written notice to Contractor, which notice will specify the nature, extent, and effective date of the termination. If the termination is for the convenience of VRT, VRT may, in its sole direction, make an equitable adjustment in the Fee (without allowance for anticipated profit on unperformed services). If the termination is for failure of Contractor to fulfill this Agreement obligations, as set forth below, VRT may complete the work itself or through another contractor, and Contractor shall be liable for any additional cost incurred by VRT. If, after termination for cause, it is determined that Contractor was not in default, the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of VRT.

11.21.2 For Lack of Funds. If sufficient funds are not provided from applicable Federal, state, local or other sources to permit VRT in the exercise of its reasonable administrative discretion to continue this Agreement, or if VRT or the program for which this Agreement was executed is abolished, VRT may terminate this Agreement without further liability by giving Contractor not less than thirty (30) days written notice. Contractor shall include the immediately preceding clause in each subcontract in excess of \$10,000 that is financed in whole or in part with Federal assistance provided by FTA.

11.21.3 For Cause. VRT, in its sole discretion, may terminate this Agreement or any Statement of Work, in whole or in part, at any time, by providing written notice of default to Contractor in any one of the following circumstances: (a) if Contractor fails to perform the services within the time specified in any Statement of Work; or (b) if Contractor fails to perform any of the other provisions of this Agreement in accordance with its terms, and in either of these two circumstances not cure such default or commence curing the same within a period of ten (10) days (or such longer period as VRT may authorize in writing) after receipt of notice from VRT specifying such failure. If it is later determined by VRT that Contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of Contractor, VRT, may allow Contractor to continue work (after setting up a new performance schedule), or treat the termination as a termination for convenience.

11.21.4 Partial Termination. Contractor shall continue performance of this Agreement to the extent not terminated. VRT shall have no obligations to Contractor with respect to the terminated part of this Agreement except as provided in this Agreement. In case of

Contractor's default, VRT's rights as set forth herein shall be in addition to VRT' other rights in law or equity.

11.21.5 Survival. The rights and obligations of the Parties set forth in Article 7, Article 8, Section 11.21, and Section 11.22, and any right or obligation in this Agreement which, by its nature, should survive termination or expiration of this Agreement, will survive any such termination or expiration of this Agreement.

11.21.6 Remedies. Termination of this Agreement by VRT shall not in any way operate to preclude VRT from pursuing all available remedies against Contractor and its sureties for any breach or default. In the event that VRT elects to waive its remedies for Contractor's breach or default, such waiver shall not limit VRT's remedies for any succeeding breach or default. Termination of this Agreement by either Party for any reason shall not affect the rights and obligations of the Parties accrued prior to the effective date of termination.

11.22 Breaches and Dispute Resolution.

11.22.1 Disputes. VRT and Contractor intend to resolve all disputes under this Agreement to the best of their abilities in an informal manner. To accomplish this end, the Parties will use an Alternative Dispute Resolution process to resolve disputes in a manner designed to avoid litigation. In general, the Parties contemplate that the Alternative Dispute Resolution process will include, at a minimum, an attempt to resolve disputes through communications between their staffs, and, if resolution is not reached at that level, a procedure for review and action on such disputes by appropriate management level officials within VRT and Contractor's organization. In the event that a resolution of the dispute is not mutually agreed upon, the Parties can agree to mediate the dispute or proceed with litigation.

11.22.2 Performance during Dispute. Unless otherwise directed by VRT, Contractor shall continue performance under this Agreement while matters in dispute are being resolved and Contractor shall continue to be paid undisputed amounts.

11.22.3 Claims for Damages. Should either party to this Agreement suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefor shall be made in writing to such other party within a reasonable time after the first observance of such injury of damage.

11.22.4 Remedies. Unless this Agreement provides otherwise, all claims, counterclaims, disputes and other matters in question between VRT and Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the Parties mutually agree, or in a court of competent jurisdiction within the State in which VRT is located

11.22.5 Rights and Remedies. The duties and obligations imposed by this Agreement and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by VRT or Contractor shall constitute a waiver of any right or duty afforded any of them under this Agreement, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

11.23 Federal Privacy Act Requirements. Contractor agrees to comply with, and assures the compliance of its employees with, the information restrictions and other applicable

requirements of the Privacy Act of 1974, 5 U.S.C. § 552a. Among other things, Contractor agrees to obtain the express consent of the Federal Government before Contractor or its employees operate a system of records on behalf of the Federal Government. Contractor understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of this Agreement.

11.24 ADA Access. Accessibility. Facilities to be used in public transportation service must comply with 42 U.S.C. Sections 12101 *et seq.*; DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 CFR Part 37; and Joint ATBCBDOT regulations, "Americans with Disabilities (ADA) Accessibility Specifications for Transportation Vehicles," 36 CFR Part 1192 and 49 CFR Part 38. Notably, DOT incorporated by reference into Appendix A of its regulations at 49 CFR Part 37 the ATBCB's "Americans with Disabilities Act Accessibility Guidelines" (ADAAG), revised July 2004, which include accessibility guidelines for buildings and facilities. DOT also added specific provisions to Appendix A of 49 CFR Part 37 modifying the ADAAG, with the result that buildings and facilities must comply with both the ADAAG and the DOT amendments.
