At the end of June, Fiscal Year 2021 was seventy five (75%) complete. The following is a review of the budgetary status of each division as of June 30, 2021. A ten percent (+/- 10%) tolerance threshold is utilized for analysis purposes in this report.

**Regional Overhead (10)**

**Revenues**
It should be noted that beginning in FY2021, Fleet Media, Mobility Management and City Go were moved from division 10 to division 12.

**Auxiliary Revenues** (11% under budget) - This line item is revenue recognized only to offset the salary expenses for the Programs Director position.

**Federal Operating Assistance** (18% over budget) – This line item is above budget parameters. This is due to utilizing federal CAREs funds in the first half of the fiscal year for the Executive Director’s department. Local funds will be utilized in the second half of the fiscal year.

**Expenses**
Total Regional Overhead operating expenses were 1% over budget through QR-3.

**Fringe Benefits** (11% over budget) - This line item is unfavorably above budget parameters.

**Professional Services** (25% under budget) - This line item is favorably below budget parameters primarily due to community relations and legal service expenses being lower than budgeted for.

**Utilities** (18% over budget) - This line item is unfavorably above budget parameters primarily due to Meridian’s condominium association expenses being higher than budgeted for.

**Casualty and Liability** (46% under budget) - This line item is favorably below budget parameters due to a decrease in insurance expenses for Division 10.

**Miscellaneous** (12% under budget) – This line item is favorably below budget parameters.

**Programs and Supports (12)**
It should be noted that division 12 has been renamed to Programs and Supports. This division now includes Boise Greenbike, Fleet Media, Safe Routes to School, Mobility Management and City Go.

**Revenues**
**Directly Generated** (95% under budget) - This line item is unfavorably below budget parameters. Boise Greenbike is not currently operating and is therefore not collecting revenue. The small
amount of revenues were from uncollected accounts receivable that were received in the first quarter of FY2021.

**Auxiliary Revenues** (38% over budget) – This line item is above budget estimates. City Go revenue was $41,897. Advertising revenue recognized to offset expenses was $101,380 and advertising installation reimbursement revenue which offsets installation expenses was $132,571.

**Non-Transportation Revenue** – This revenue is the result of the disposal of Boise Greenbike assets.

**Federal Operating Assistance** (49% under budget) – This line item is below budget parameters. This is due to Mobility Management and City Go expenses being lower than budgeted for resulting in the need to recognize less revenue in this category.

**Local Operating Assistance** (71% under budget) – This line item is below budget parameters. This is due to City Go and Boise Greenbike expenses being lower than budgeted for resulting in the need to recognize less revenue in this category.

Total Information Supports/Specialized Transportation operating expenses were 44% under budget through QR-3.

Fringe Benefits (17% over budget) - This line item is unfavorably above budget parameters.

Professional Services (54% under budget) - This line item is favorably below budget parameters. This is primarily due to contract labor and repair and maintenance expenses being lower than budgeted for due to reduced services.
