

# 2024 BUS NETWORK REDESIGN

## LYFT TRANSIT CONNECTIONS

### Service description

- Lyft Transit Connections is a partnership between VRT and Lyft that provides an affordable rideshare connection to nearby bus stops; the service is available from 6 a.m. to 9 p.m. Monday through Friday, and from 7:30 a.m. to 6 p.m. on Saturday
- Riders enter a promo code before their first trip, and a discount is automatically applied to qualifying rides; riders pay the first \$2, and VRT picks up the rest of the tab up to \$6
- With the redesign, the Lyft Transit Connections service area will be expanded to cover within two (2) miles of the core bus network within Boise, including southeast Boise, south to the Boise Airport, and west to Cloverdale and The Village
- 33 stops will be available within 2 miles of any location within the service area so riders can reach a fixed route
- Under the redesign, the service hours will expand to weekdays from 5:15 a.m. to 10:00 p.m. and Saturdays from 7:45 a.m. to 9:30 p.m.

### Proposed service area
