

2024 BUS NETWORK REDESIGN PROPOSAL

BEYOND ACCESS

Proposed service description

- This is a new regional service launching early 2024 for older adults and persons with disabilities that will provide no-cost trips in and between Canyon and Ada counties and offer more transportation options for those that qualify
- Beyond Access unifies a variety of smaller service providers that offer transportation across different service zones, days, and times into a single, regional service available Monday through Friday from 7 a.m. to 6 p.m.
