

LEGAL NOTICE OF OPEN HOUSE AND PUBLIC HEARING

Proposed changes to Valley Regional Transit (VRT) service in Nampa and Caldwell. As provided by relevant statute, VRT provides public transportation services in Ada and Canyon County.

Each year Nampa contributes funds for fixed route, paratransit, demand response, and specialized services within the City of Nampa. To meet the budgetary requests from the City of Nampa, VRT is proposing to reduce Nampa's annual contribution from \$857,794 to approximately \$500,000. This budget reduction will result in reductions and/or changes in one or more fixed route services, including the removal of Route 40 from Nampa and a change to the VRT On-Demand service model.

VRT has scheduled an open house for the public to review the proposal and public hearing to gather testimony regarding these proposed changes. Details are as follows:

- Monday, June 22, 2026
- 3:30 p.m. – Open House
- 5:00 p.m. – Public Hearing
- Nampa Civic Center, PacificSource North Room (311 3rd St South, Nampa, ID 83651)
- Virtual link: ridevrt.org/Nampa-Caldwell-Hearing-2026

Members of the public are welcome to make comments at the public hearing, limiting comments to no more than three (3) minutes.

Comments may also be submitted via online survey, mail, or email by midnight Friday, July 3, 2026 to the destinations via:

- Online survey: rideVRT.org/Nampa-Caldwell
- Mail: Valley Regional Transit, Attn: Public Information Officer, 700 NE 2nd St Suite 100, Meridian, ID 83642
- Email: <mailto:feedback@ridevrt.org>

A summary of the proposed changes and link to an online survey can be found at rideVRT.org/Nampa-Caldwell. Adopted changes to service are expected to be implemented in October 2026.
